

Johns Hopkins Bloomberg School of Public Health's Center for Communication Programs (JHU-CCP)

<http://www.jhuccp.org> [1]

The Johns Hopkins Bloomberg School of Public Health's Center for Communication Programs (JHU-CCP) is a leader in strategic communication and research to facilitate access to information and exchange of knowledge to improve health. JHU-CCP's knowledge management and eLearning expertise are demonstrated by its management of the [Knowledge for Health \(K4Health\) Project](#) [2] and the [Global Health eLearning Center](#) [3].
